

The laboratory of Dr. Marlene Bouvier in the Department of Microbiology and Immunology at the University of Illinois at Chicago has an immediate opening for a Research Scientist or Postdoctoral Associate, based on number of years of research experience after PhD, to play an active role in our ongoing studies of the MHC I antigen processing and presentation pathway, including the ERAP enzymes. We are seeking a highly motivated and passionate researcher with a rigorous training in molecular immunology, biochemistry, or related fields and advanced hands on experience in biochemical assays and biophysical techniques such as SPR, fluorescence anisotropy, electrophoresis, as well as skills in maintenance of mammalian cells and protein expression/purification.

For immediate consideration, please submit a cover letter to mbouvier@uic.edu and a complete resume. Visit our lab website for more information: <https://mbouvier8.wixsite.com/marlenebouvierlab>
